## The Rough & Tumble – October 21, 2023

The Rough & Tumble are a folk/Americana duo, consisting of Mallory Graham & Scott Tyler. Formed in 2011, they've spent the last 8 years full time in a 16ft camper with two big dogs and one hamster. At home in festival settings, listening rooms and house concerts, their commanding stage presence, engaging performances, and affecting songwriting won them Listening Room Network's Artist of the Year in 2019 and the Independent Music Awards Americana Song of the Year for their song *The Hardest Part*. The 2021 album *We're Only Family If You Say So*, addresses what it means to be family and then to lose it, and includes singles debuting on American Songwriter and The Bluegrass Situation. Fans have embraced this album for its stark honesty, unique storytelling, and well-crafted melodies. The duo now resides in New Hampshire and their new album *Only This Far*, released in May 2023, has been described as "quality songs, well written, well played, well sung and arranged, and a pleasure from start to end."

Help us welcome The Rough & Tumble (Mallory and Scott) to our stage for the next show of the North Elk Coffee House 2023-2024 season!
