Douglas Lira – October 18, 2025

Douglas Lira is a multi-instrumentalist, producer, composer, and arranger. He comes to the NECH stage for the first time, with a rich, interesting background in music. Born in Vila Velha / ES- Brazil, Douglas began to study music at the age of 5, starting studies with saxophone at 10 with prof. Jovaldo Guimarães at Art 'Música school in Vitória / ES.

At 17, he completed the technical saxophone course and, later, his bachelor's degree in music with transversal flute. Douglas dedicated his work to God from an early age. In 2008, Douglas produced his first instrumental album entitled "Quero Recomeçar," interpreting songs by several Christian authors.

At the end of 2016, Douglas and his wife, Pamella Lira, decided to migrate from Brazil to the United States, to continue their studies.

You can follow Douglas on social media and streaming platforms including Spotify, Deezer, and Apple Music.

Come join us on October 18. You can expect to hear some international favorites and hymns adapted by Douglas Lira for his instruments, as well as original compositions.
