## Eli Lev – February 21, 2026

To his "Levitators" community, Eli Lev is known as a "Global Ambassador of Good Vibes." This Silver Spring, Maryland-based musician tells us he honors his greater calling every day – uplifting open-hearted folks around the world through song.

Eli Lev pens lyrics and melodies for everyday enlightenment -- songs that resonate because they're heartfelt, earthy, and offer the wisdom he's gained through lifelong travel and self-discovery. He just completed his epic *Four Directions* project which includes four EPs that were inspired by Indigenous traditions he learned while teaching on the Navajo Nation in Northern Arizona. His four-part EP releases, *All Roads East* (2017), *Way out West* (2018), *Deep South* (2019), and *True North* (2021) connect spheres and generations within a body of work that is emotionally resonant and down-to-earth. Eli has toured extensively and has performed at The John F. Kennedy Center for the Performing Arts. Maura Kenny Parrott (Sky Stage – Frederick, MD) describes Eli's performance as "An incredible set of original music - steeped in the folk, pop, and singer-songwriting traditions."

Help us welcome Eli Lev to our stage in February. Be sure to have your hands ready for clapping, and your voice ready for singing along!
